## **SUMMER NEWSLETTER 2012**

# SPECIAL EVENT Sunday, 17<sup>th</sup> June 2.30 – 4 pm A 'one-off 'chance to visit WOODLARK NURSERIES

## Burhill Road, Hersham, Surrey, KT12 4JD (www.woodlarknurseries.co.uk)

This normally wholesale-only nursery grows a wide range of bedding plants, bulbs, perennials, patio plants and herbs plus lots of seasonally planted hanging basket and containers. Plants will be for sale on the day!

Club secretaries: If you can advise roughly how many of your members would like to come to this event, please contact Secretary Janet Arm at address above

#### SPRING TALK – Steve Brookes.

Well, we did promise you something a bit different for this talk, and we think that Steve Brookes certainly delivered!

From the very first moment, when he spoke about learning from his Grandad and watching him explain what worms did, his talk made the audience laugh and laugh. Linked in with many very useful tips were some hilarious ones - like burying a blown-up balloon just where cats like to scratch, and then trying to get them down from the nearest tree two days later!

Steve kept us all amused and entertained for the whole afternoon, and I think if he hadn't had to drive back to Stratford he would have kept going for many more hours! We know that Steve wasn't as well-known a name in this area as some of the other speakers we have had, but would like to thank him again for such a great talk.

**Note from Janet**: Please could anyone let me know if they have tried some of his tips and how well they worked? I have passed on the ones about Ralgex on old tea bags spread around where cats 'go' in the garden, and cheap soap grated up to repel squirrels, but as I don't have a problem with either of these pests I haven't tried them myself!

#### INTER-CLUB QUIZ.

Please note that this event will be held at Cobham Village Hall on Sunday, 16<sup>th</sup> September 2.30 pm so make a note of this in your diaries now. If your club hasn't shown interest yet, then contact Secretary Janet Arm for details. You only need three people for a team, and answers can all be guessed! Why not go to the Plant Heritage Plant Fair in the morning, and then come on to the Quiz?

### A.G.M. and AUTUMN TALK – Sunday 4<sup>th</sup> Nov. 2.30 pm Mayford Village Hall.

As usual we will have as quick an A.G.M. as possible, so we can leave time for our speaker, who this year will be

#### MR. NEIL MILLER (Head Gardener) talking about HEVER CASTLE,

with plenty of behind the scenes information as well as some secrets!!!!!

(This talk has been recommended by Limpsfield Club who says you shouldn't miss it!)

#### **SURREY GUILD of JUDGES and LECTURERS.**

Hon. Secretary Jack Morris says - Please could you note the following on your new lists:-

Judges List – Page 6. We regret that Judge Keith Pierce of Elstead sadly died recently, so please delete his name.

Lecturers List – Page 2. Please add these two new email addresses. Guy Barter: guybarter@rhs.org.uk and Peter Barwick: pjbarwick@tiscali.co.uk

#### CHALFONT ST. GILES GARDENS OPEN DAY – Sunday 13th May.

For those of you who would like a go a bit further afield for visits, 9 gardens within walking distance of the Village Green plus Flexmore Farm (which has a herd of buffalo as well as keeping pigs) will be open for charity. Tickets and a map cost £5 available from the Green on the day from 10.30 am and give access to all the gardens. Contact Tony Hoare 01494-872883

#### 2012 FEDERATION CLUB LIST.

Now that almost every club has renewed their subscription, there is a new club Contact List enclosed with this Newsletter. Many thanks for allowing your names and phone numbers to be published, though we have not included email addresses as we know that several of you would prefer that these remain private.

If you are having trouble filling meetings or coach trips, why not contact your local clubs to see if you can combine events?

#### <u>CLUB EVENTS – Please contact the numbers given for more information.</u>

#### **CLUB FOCUS:-** Two clubs in this issue!

#### **1. Surrey Chrysanthemum and Dahlia Society.**

The Society was formed in 1964 by a small group of enthusiasts in the Morden area, and from these early beginnings the Society has grown and now attracts members from all over the South of England – many of whom are National exhibitors. As it turned out, the 1970's was the heyday of the Society, during which time the Championship of Great Britain and other National awards were won on many occasions both for Chrysanthemums and Dahlias.

Although we do not have a specific base like other Clubs/Societies, nor any Trading facilities, we do hold all our Evening Meetings and Show within the Surrey County boundary although the venues have changed many times over the years mainly due to site redevelopment and of course cost. Currently we have our Members Shows at Abinger Hammer Village Hall and including a Daffodil show in early April which was added to our show programme in the 1990's. Other Members Shows are in August (predominately Dahlias), and a late September show with a bias towards Chrysanths (though as the weather pattern appears to have changed Dahlias are becoming equally displayed) and finally the Late Chrysanthemum Show in November.

The Main Show of the calendar is held at the premises of Toyota GB plc at Great Burgh, situated off the Reigate Road between Burgh Heath and Epsom Downs, and this year our 10<sup>th</sup> Show is at this venue on the 9<sup>th</sup> September. It is anticipated that on show will be Early Disbud and Spray Chrysanths, and Dahlias from Pompoms to Giants in all shapes and colours with about 400 vases on display plus a Floral Art Selection. All visitors are welcome, with flowers for sale at the end of the Show. Admission is free and refreshments will be available.

Evening Meetings are held at Cobham Village Hall, but due to lack of support (probably on a par with many similar organisations) the number has been reduced from 7 to 3 meetings plus the AGM. Like many Societies over the years Committee numbers have fallen but ages of participants increased, and without new younger blood to take on the reins the future does look somewhat bleak. However, we hope to reach the 50<sup>th</sup> Anniversary by hook or by crook, though it will certainly not be without some considerable effort!

**Note:** Many thanks to Surrey Chrysanthemum and Dahlia Society Secretary Fred Austin for this report. Please contact Fred for further details or show schedules at: Hawthorns, Forest Road, Effingham, Surrey, KT24 5HL Tel: 01483-283264

#### 2. Sandhurst and District Gardening Club.

Sandhurst Gardening Club came into being in 1963 and since then the club has grown to over 300 members and has meetings at the Community Hall on the third Wednesday of almost every month. Topics are not always to do with gardening specifically but may have a loose connection – details of the next few are shown on the Club Events pages following.

It is a very friendly club with attendance regularly over 80 on a club night. Subscriptions are £6 for a couple or £4 single which covers a monthly newsletter, a chance to book on one of 4 coach outings to gardens and finally to exhibit in all 4 shows a year which are Daffodil Show in March, Late Spring Show in April, Summer Show in June and Autumn Show in September!

There is a purpose built Trading Hut (on the Memorial Park behind the Coffee Spot) open on Sunday mornings most of the year and Wednesday afternoons in the Spring and Summer where members can buy compost, fertiliser etc. If you would like to join please contact Chairman Sheila Davenport on 01252-874361 or Christine Dresler on 01420-768965 (to whom I am grateful for this report.)

#### **COUNCIL MEETING DATES 2012:** Onslow Village Hall: 25<sup>th</sup> May, 7<sup>th</sup> Sept. and 16<sup>th</sup> November

If there is anything you would like us to bring up at the meetings, please contact Secretary Janet Arm.
